**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Having access to the internet and competitive international phone service is critical to my and my wifes work and family. We had throttled internet before from AT&T which was problematic. Now, we have unthrottled internet and phone service for a lower price. If AT&T is allowed to block other providers by changing the bridge to broadband, this will eliminate the competition.
